Gild Hall said they could do a special rate, but they haven't gotten back to us with "the secret words". It's the nearest to the conference center, and reportedly a nice boutique hotel.

King Superior rooms \$399.00

King Deluxe rooms \$439.00

King Suite would be available at the rate of \$625.00

Room rates would be subject to 14.75% tax + \$3.50 per room per night for rooms + \$5.50 for suites occupancy tax.

Most likely, "Downtown Conference Center for the Veriphos SSL Summit - Robin Kennovin was arranging it" would contain enough words to get the rate, if the hotel looks like a good choice.

For other hotels, some of the nearby ones offer informal/as-available rates for attending functions at "The Downtown Conference Center at Pace University". Feel free to give it a shot and see if it gives you a better rate. It's high season in NYC, as well as Fashion Week, so rates are highly variable even from day to day in some cases.
